## District councillors send out message against hate crime

SOUTH Somerset District Council has sent out a strong message that it is proud to be part of a diverse and tolerant society and that it condemns any form of racism, xenophobia or hate crime.

Following incidents of hate crime across the country, the motion to send out this positive message was proposed by Councillor Crispin Raikes at the full council meeting on July 21st, saying: "In the wake of the recent killing of Jo Cox MP and the less savoury rhetoric of some in the referendum campaign, this council wishes to make it clear that we, the councillors, are proud to represent a vibrant and diverse community."

"We totally condemn any form of racism, intolerance, bigotry or xenophobia. Hate crimes have no place in our society and we will do all we can to prevent them. The residents of South Somerset, whatever their gender, race, creed, age, colour or sexual orientation are treated equally."

The motion was seconded by Chard Coombe district councillor Amanda Broom, who gave her support to the motion following an incident when she was campaigning on behalf on remaining in the EU.

Councillor Broom said: "In the last campaigning weeks of the referendum, as an active member of the Stronger In Europe stall in Yeovil and Chard, I was completely dismayed by some of the comments made by some members of the public. In one example, we were threatened with execution, with the youngest members of our group being told they should be locked in the tower for treason."

"As a response to this, post Brexit, I wrote an article in one of the local papers, stating that we needed to work hard to reassure the migrant working community in Chard that they are welcome, valued members of our society, and that as a councillor, I will do all I can to reassure them of this, and work to ensure we do not tolerate hate in our towns."

Councillor Broom's passionate support continued: "As such, I welcome the motion put forward by Councillor Raikes, and will support it completely,

"I would ask that as a council we send a clear message stating that: 'We are proud to live in a diverse and tolerant society. Racism, xenophobia and hate crimes have no place in our country. Our council condemns racism, xenophobia and hate crimes unequivocally. We will not allow hate to become acceptable."

"We will work to ensure that local bodies and programmes have the support and resources they need to fight and prevent racism and xenophobia. We reassure all people living in this area that they are valued members of our community'."

Before the proposal was met with unanimous support from the council, Councillor Broom added that South Somerset District Council should provide clear guidelines to what steps the council will take to tackle racist, xenophobic and criminal behaviour, and that it should set up a training session for councillors with SARI (Stand Against Racism and Inequality) to help councillors understand the signs of hate crimes and put the council in a better position to help tackle any problems that arise.

### Body found in bus stop was dumped after drug overdose

A MAN who died of a drugs overdose was dumped at a bus stop by his panicking friends, an inquest has heard.

The body of Crewkerne man Daniel Dare, 28, was found covered in a blanket in a bus stop in Wookey on November 8th by a woman walking her dog, who first thought it was a Guy left over from Bonfire Night.

A doctor out for an early morning run attempted to revive Daniel but he was pronounced dead at the scene.

An inquest heard that the youngster was found dead by pals on a friend's living room floor after he overdosed on heroin.

Police initially launched a murder investigation and arrested three people but no charges were brought.

Senior Somerset Coroner Tony Williams recorded a verdict of a drugs-related death at Somerset Coroner's Court.

## TOP STORIES FROM ACROSS EAST DEVON AND SOUTH SOMERSET

### AXMINSTER Council considers legal action against developers

**A HOUSING** developer that built an estate in Axminster is being chased for more than £650,000 by East Devon District Council (EDDC). In a statement issued on July 13th, EDDC said there has been an issue "for some time" and that legal action is being considered.

Wainhomes have built the Millbrook Meadows estate off Chard Road in three phases.

Planning permission came with a Section 106 agreement, in which developers undertake to pay an amount towards infrastructure/amenities.

An EDDC spokesperson said: "Wainhomes are legally required... to pay financial contributions totalling over £660,000 towards infrastructure required to serve the development."

"These contributions have not been paid and the council... is now considering further formal legal action to secure the required infrastructure."

### OTTERY ST MARY Concerns over West Hill consultation

**AN OTTERY** town and district councillor has raised concerns over the consultation for the formation of an independent West Hill Parish Council and has called on the chairman of the district council, Stuart Hughes, to declare it null and void.

Councillor Peter Faithfull, who was elected onto East Devon District Council (EDDC) last year, wrote to fellow district councillors, the chairman, the monitoring officer and the chief executive asking for the result to be declared void due to the "very high amount of fraudulent and dishonest behaviour by both West Hill Campaign group and members of Ottery St Mary Town Council".

On July 13th, EDDC's Cabinet agreed to move forward with the separation of Ottery Town Council and West Hill. The decision will go in front of full council in the coming weeks and is expected to pass.

## From the editor's chair More homes, more questions

**THE** explosion of new housing in Axminster is alarming to say the least – and, it would seem, not without its problems.

Hundreds of new homes have sprung up in recent times with dozens of more planned for the future as Westminster presses local government to release more land to meet the chronic housing need.

It would certainly seem that Axminster is taking its fair share – but is this a good thing?

Axminster is no longer just a market town; it's an ever-growing conurbation with estate after estate springing up.

And if all the stories you hear about the problems of such rapid expansion are true, the standard of workmanship is not all that it should be.

Can it really be true that one new property was demolished overnight and the site cleared before daylight?

The new estates look smart enough but there are some horror stories floating around. So what impact will all these new homes have on Axminster?

More homes means more people and one

would presume this is good for the local economy. In 2011 5,761 people lived in Axminster; 7,110 when you take in the rural area. That figure is set to jump.

There seems little difficulty in getting buyers for the plethora of new homes; no sooner are they built than most of them are occupied.

But what pressure will the town's popularity put on local services? Can the schools take more pupils? Are the medical facilities in the town, with the ever-present question mark hanging over the hospital, going to be able to cope. Can the roads in and around Axminster take more traffic?

Through Section 106 planning money, which the developers have to pay, amenities should improve but getting that money is causing a few headaches for East Devon Council which is threatening legal action over the alleged non-payment of £650,000 by one developer.

Is some people's perception of Axminster being a quiet backwater (never the case) about to be blown away?

### SIDMOUTH Beach plan gets £54k despite concerns

**EAST** Devon District Council's Cabinet has approved £54,000 worth of funding towards the Sidmouth and East Beach Management Plan which will enable the planning stage of the process to be completed.

The costs of the project had risen as a result of changes including requests from the steering group for additional work to take into account local's evidence and to provide a more detailed appraisal of the options. The steering group is made up of bodies such as the Environment Agency and Natural England, as well as community groups.

However, concerns have been raised, with two steering group members, EDDC Councillors Cathy Gardner and Matt Booth, saying "EDDC approved the options independently of the steering group, but took them to public consultation as if they had been approved by the steering group."

There is a real danger that it will not produce a result that will be approved by the Environment Agency or DEFRA and will not attract the partner funding that will be essential to deliver it.

### SEATON District council set to say 'no' to seafront plans

**EAST** Devon District Council look set to refuse an application for a possible 'iconic' seafront development in Seaton – saying the impact on the build would have an 'oppressive and overbearing impact on the occupiers of neighbouring properties'. Plans were submitted last month by Seaton Beach Development Ltd.

Plans will go in front of the Development Management Committee (DMC) at EDDC on August 2nd but the executive summary of the case has recommended refusal.

Seaton Town Council was supporting the application but said that if locals were raising concerns then the application should be debated by the DMC.

Some of the public objections include loss of view, design out of keeping with the character of the esplanade, lack of parking provision and distraction to motorists on Harbour Road.

### HONITON Surgery extension opens its doors

**IT'S ALL** change at Honiton Surgery, after the brand new extension was opened offering six new consultation rooms to deal with the expanding population in the town.

Sandy Wason, practice manager, said: "Finally, the scaffolding has come down, the paint is drying and we are ready to move into our new extension, which will offer six new consulting rooms, a new treatment room, a new waiting area and large meeting room. We feel we are truly 'future proofed' to manage the growing population of Honiton."

Patients were invited to have an informal look around the new facilities last week.

Mrs Wason added: "We apologise in advance for any disturbance to our normal services."

## Lib Dems select parliamentary spokesperson for next election

THE Liberal Democrats have selected Daisy Benson as their parliamentary spokesperson for the Yeovil constituency area.

Members of the Yeovil constituency Liberal Democrats met on Saturday, July 16th at Stoke-sub-Hamdon to choose the person they want to contest the seat at the next General Election.

And they voted in favour of 37-year-old Miss Benson to fly the flag for the party in Yeovil come the election, which is scheduled to be held in 2020, but could take place sooner following recent events including the EU referendum and a change in Prime Minister at Westminster.

Miss Benson lives in Misterton and works for a utility company as a stakeholder engagement manager.

"The people of Yeovil constituency have grown used to a strong passionate voice standing up for them in Westminster and locally for three decades in David Laws and Paddy Ashdown," said Miss Benson. "It is an honour to follow in their footsteps.

"I want to thank local members for their vote of confidence and I'm looking forward to helping the people of Yeovil respond to the challenges ahead of us."

■ **CANDIDATE:** Liberal Democrat parliamentary spokesperson for Yeovil, Daisy Benson, with Lib Dem party leader Tim Farron

The Liberal Democrats lost the Yeovil constituency seat – which covers the likes of Yeovil, Ilminster, Chard and Crewkerne – at the 2015 General Election when the Conservative candidate Marcus Fysh MP sprung a shock victory over long-standing MP David Laws.

Mr Laws has given his full support to Miss Benson on her selection and future battle in trying to win the seat back for the Lib Dems.

"I would like to congratulate Daisy on her selection," he said.

"I know her to be a hardworking, energetic campaigner who cares about improving the lives of local people. She has my full support in addressing the pressing issues facing Yeovil."

## Arrests made after police carry out drugs raids across Somerset

POLICE carried out dawn drugs raids at properties in Yeovil, Chard and Weston-super-Mare last week which resulted in 14 people being arrested.

It was the latest initiative in the police's on-going investigation into the supply of Class A drugs in Somerset.

Warrants were executed on Wednesday, July 20th at 11 properties in Yeovil, Weston-super-Mare, Chard and 13 men and one woman have been taken into custody.

The action follows two days of activity in the Weston-super-Mare area last week in which a total of 53 people, aged between 15 and 65, were arrested. Thirty-one people have since been charged with a combined total of 90 counts of supplying Class A drugs.

With the exception of a 15-year-old boy, who was bailed to appear at North Somerset Youth Court, all those charged have appeared at Bristol Magistrates' Court. Twenty-nine were remanded in custody pending an appearance at Bristol Crown Court on August 18th while one woman was released on bail.

Specialist drug dogs were again used to search the properties raided last week and police seized a quantity of Class A drugs in addition to cash, drugs paraphernalia and a number of weapons.

Those taken into custody were arrested for offences including supplying Class A drugs and possession of a bladed article.

Speaking last week, Chief Inspector Mark Edgington, area commander for Somerset East, said: "Today's warrants mark another

stage in our on-going investigation into the supply of Class A drugs in Somerset. It follows nine months of excellent police work and sends a very clear message that we in Avon and Somerset Constabulary are in no way a soft touch and we will not tolerate drug dealing in our area.

"No matter where people live they should not have to put up with dealers selling drugs openly in their communities and we are committed to tackling them head on and addressing all the associated problems they bring.

"We will always listen to the concerns of our communities and ask anyone who has any suspicions or worries about drugs to get in touch.

"We also want to hear from anyone who is worried about friends, neighbours or relatives they feel might be vulnerable to drug dealers due to dependency or debt and about anyone suspected to be housing drug dealers or allowing the supply of drugs from their premises.

"I would like to remind landlords that they must take responsibility for their property and tenants. If you suspect that there is criminality or anti-social behaviour taking place at your property you need to take positive action in relation to your tenants and contact the police, or you could face having your property subject to a closure order."

Anyone with information should contact police on 101 or call Crimestoppers anonymously on 0800 555111.

# Somerset formally signs up to devolution partnership

KEY Somerset councillors have backed a big step forward in devolution discussions following positive early talks with government.

Somerset County Council's Cabinet has formally signed up to the principle of creating a new combined authority which would take responsibility for extra powers and budgets agreed in any devolution deal.

In February, the county council and 22 other authorities across Somerset and Devon submitted proposals for more powers to be devolved to the local level. With their Prospectus for Productivity, the Heart of the South West (HotSW) devolution partnership believes it can deliver big benefits in sectors such as skills, employment, housing and social care.

All the members of the partnership are this month seeking formal agreement to the principle of a combined authority. This comes after a meeting with the former Secretary of State for Communities and Local Government Secretary Greg Clark, where he confirmed that an elected mayor would not be essential to a devolution deal.

Councillor John Osman, leader of Somerset County Council, said: "There is a long way to go, but today's decision is an important step along the way. It opens the way for more detailed discussions with government, which I firmly believe could result in a devolution deal that delivers big benefits for the people of Somerset and Devon."

"We firmly believe that we are best-placed to understand the area, address its challenges and build on its strengths. I want more decisions about Somerset to be taken closer to Somerset."

If all partners agree in principle to the creation of a combined authority, discussions will continue with government about what powers and budgets

by Peter Hodges  
peter@viewnews.co.uk

it is willing to devolve and when.

The details of how a combined authority would work are still to be discussed, but it would be made up of representatives from the partners. It would not take over any powers or funding from existing authorities and they would have a say in the constitution and decision-making powers of the new body.

Consultation on any proposal to introduce a combined authority will take place as part of the negotiation process with the government and is required before an order can be made in parliament to establish such an authority.

The HotSW devolution partnership consists of Somerset and Devon County Councils, 13 district councils, Plymouth City and Torbay councils, Exmoor and Dartmoor National Parks, and three Clinical Commissioning Groups.

The full Prospectus for Productivity can be found on the county council website at <https://somerset-newsroom.com/devolution/>

Productivity in the South West is currently at less than 80 per cent of the national average. The document says devolved powers and finance from Westminster would bring higher productivity, better-paid jobs, improved road, rail and broadband links and more homes for the region's growing population.

There would also be radical reforms to integrate health and social care to allow the ageing population to be better looked after, tailored support for growing businesses and the creation of a centre of excellence for skills development.

# Number of abandoned kittens at sanctuary reaches 'critical level'

WITH more than 20 abandoned kittens taken into the care of Ferne Animal Sanctuary over the past month alone, the charity is urgently calling for the public's help and support.

The animal sanctuary, based in Wambrook, near Chard, is looking for donations of money to look after the kittens as well as new homes for the animals.

Every year, this problem becomes more severe and with kitten season in full flow, this year has already reached a critical level and Ferne is struggling to accommodate the ever increasing numbers. This also includes kittens from heavily pregnant mothers dumped with less than days to go until they gave birth.

Both catteries at the sanctuary are full and extreme measures have been required in the form of using the sanctuary's animal surgery area to house the kittens, which is far from ideal.

Tara Nirula, rehoming manager, is appealing to anyone considering adopting a feline into their family.

"We are urgently looking for loving homes with people who can give these kittens a second chance in life," she said.

"The owners must have patience and commitment but most of all, lots of love to give."

Anyone wishing to adopt kittens is asked to call the sanctuary on 01460 65214 to discuss suitability and to arrange a viewing appointment. A pre-home check will be conducted before any animals are released into the adopter's care.

If you are unable to adopt a kitten from Ferne but you would like to help, you can donate towards the Special Care Cat Unit appeal.

Steph Sterndale-Bennett, fundraising man-

ager at Ferne, explains: "We are currently undertaking a 12-month appeal for funds to help us build a special care unit which will enable us to accommodate more cats and kittens in need of extra TLC in the years to come."

"This is becoming increasingly important as we are finding ourselves at maximum capacity more and more frequently."

The Special Care Cat Unit will cost £195,000 to build and will complement the top class care that Ferne Animal Sanctuary provides to the animals 365 days of the year.

To donate please visit the 'Donate Now' page of the charity's website [www.ferneanimal-sanctuary.org](http://www.ferneanimal-sanctuary.org)

Ferne Animal Sanctuary is a registered charity and relies on the support of the public and dedicated volunteers to continue its vital work.

FINE weather blessed the day that Holyrood students Maddie Crouch and Charlie Clifford broke long-standing Academy records at their annual Sports Day.

The Year 7 girls 4 x 100m Relay record was also smashed by Maddie Crouch, Lalande Virk, Chloe Sochon and Katie Beale.

Teacher Laura Chapman said: "Another amazing sports day is over and I was so impressed with the enthusiasm in which our stu-

dents took part in the events.

"Maddie and Charlie are certainly sports stars of the future and I am looking forward to saying 'we grew them at Holyrood!'

"There was a great atmosphere all day, with home-made banners and multi-coloured warpaint adding to the competitive spirit.

"The Year 10 helpers were brilliant at supporting the PE Department as well as participating in their own events – well done."

## Guides on tour of London

■ **ILMINSTER Brownies and Guides** were recently treated to a day out in London to visit all the capital's landmarks. The 29 Brownies and Guides saw some of London's most famous landmarks, including Buckingham Palace and the London Eye and even saw the changing of the guard. The Brownies and Guides were able to go on the trip, thanks to Somerset County Councillor Linda Viejh, who donated money towards the outing. The groups are pictured inside Girlguiding HQ, on Buckingham Palace Road, London.

BROADWAY Parish Church held an 'Angel Festival' and were pleased to display more than 150 angels of various styles created by local crafts people and parishioners, to help raise funds for the church.

A spokesperson for the fundraising group of the parish church said: "This was a very successful weekend. We were pleased to welcome a steady stream of visitors to our lovely church and we enjoyed their positive comments. We were very grateful to South

Somerset Embroiderer's Guild for their contributions and particularly pleased that Neroche Playgroup and Neroche School for their participation too.

"The whole event raised £1,000."

The next fundraiser will be a five mile, circular sponsored walk on Sunday, August 21st at 2pm, beginning at Broadway Village Hall.

Sponsor forms and further details will be available from Broadway Parish Church. All are welcome.

## Bags of help from Tesco towards new school gym

■ **ILMINSTER mayor Val Keitch and Broadway Parish Councillor Linda Jones** opened the brand new, state of the art gym for Neroche Primary School

NEROCHE Primary School has just opened its new Outdoor Gym for children.

The scheme was funded from an £8,000 grant from Tesco's "Bags of Help Scheme" and a £2,000 contribution from Neroche Community Primary School's Governing Body.

The new gym includes a rowing machine, cross trainer, exercise bike including wheelchair adaptaters, double sit up bench, press up bars and a balance beam maze.

The equipment also incorporates QR codes for the children to use the school's iPads to access demonstrations of exercise routines online for the equipment and also to aid the children in designing their own bespoke fitness routines.

Councillor Val Keitch, Mayor of Ilminster, and Councillor Linda Jones

of Broadway Parish Council officially opened the new gym for the school and were treated to demonstrations from the children using the equipment.

Councillor Val Keitch said: "It is so wonderful to see a school with so many Ilminster children being so proactive in promoting healthy living."

Councillor Linda Jones of Broadway Parish Council added: "It's great to see such excellent facilities at Neroche Primary School and our thanks to Tesco for its community funds."

Year 6 Teacher Miss Humphries said: "This new equipment has transformed our playtimes and also gives us wonderful opportunities to develop PE even further in the school, using the most up to date technology to give our children the crucial Wow Factor in PE."

# Ashill School fun run raises £450

ORGANISERS of Ashill School's fifth annual 5k Father's Day Fun Run, held last month, were pleased to see a record 42 runners competing raising more than £450 for the school.

A drinking water station was provided by The Square and Compass Inn at the half way point and many children enjoyed a mini race of their own, enabling them to soak up the atmosphere and receive a medal and small gift.

The 5k runners received prizes donated by local businesses, along with medals and goodie bags donated by 1610 Gym, and juice provided by race sponsor Frobisher Juices of Exeter.

The race winner was Kenny Timson, who in defending last year's title won with an impressive time of 19.35 minutes beating last year's time by 20 seconds.

After the race, runners enjoyed a barbecue and home baked cakes and biscuits.

Organisers said: "We would like to thank everyone who has helped us to make this year event such a success. Without our volunteers this event could not happen. It is a wonderful opportunity to bring everyone together and not even the rain could dampen our spirits."

South Somerset district councillor Linda Vijeh, who supported the event, said: "Events like this are a wonderful way for the local community to join forces to support the school, with the added bonus of some healthy exercise."

Pictured top left, the Warren family who all took part in the fun fun. Left, race winner Kenny Timson, first under 16 male Kieran Smillie, first female under 16 Georgina Smillie, first lady Kate Beaumont, second placed man Ed Clements and first and second in the children's run, Jasper Clements and Zoe Crouch.

## Bumpy Lane officially a public footpath

CAMPAIGNERS hoping to have a well-used lane in Ilminster officially recognised as a public footpath have won their battle.

A long legal battle has come to a successful conclusion for the campaigners who said that the footpath – known as Bumpy Lane, at the end of Winterhay Lane – had been used by people for decades up until 2012 when "private" road signs were placed at the crossroads.

A public inquiry into whether Bumpy Lane was to be added to the Definitive Map was to be held in May 2016 at Donyatt Village Hall, but was cancelled with the Planning Inspectorate deciding, instead to look at written statements about the pros and cons.

Heidi Cruickshank, an inspector appointed by the Secretary of State for Environment, visited the site back in May and has now decided that the entire length of the path had been

used by the public on foot since "at least the beginning of the 20th century."

The four-year wrangle has led to some angry exchanges between those wanting Bumpy Lane to remain open and those wanting to make it a private road.

But the planning inspector said: "The law does not allow me to consider such matters as the desirability or otherwise of the route in question."

"Concerns regarding the behaviour of individuals are not a matter for me. I would also note that the weight of numbers for or against the recording of the route is not relevant."

"Considering the evidence as a whole I am satisfied, on the balance of probabilities, that the Order route be recorded as a public footpath."

A post has now been installed at the site with the words "public footpath" on it.

## U3A's language group donates to hospital's League of Friends

THE Fun of Language group of Crewkerne & District University of the Third Age (U3A) has just handed over another cheque for £30 to the Crewkerne Hospital League of Friends. The latest cheque makes a total of £100 that the group has donated to the League of Friends to go towards improvements at the hospital.

Whenever the U3A meets, the members always pay something towards the cost of refreshments, and the money is saved by Anne

Walpole, who often hosts the monthly meetings.

Anne is pictured above presenting the cheque to Ron Bond, League of Friends chairman, in the garden at her home.

The League of Friends are currently raising funds to give a facelift to the inner courtyard garden at the hospital.

Ron said: "We are really grateful for all the support we receive from organisations in the town like the U3A."

# Diamond couple's anniversary

CHARD Royal Naval Association President James 'Nobby' Noble and his wife Edna (pictured right) recently celebrated their Diamond Wedding Anniversary.

Mr and Mrs Noble, who share their 84th birthday within months of each other, met while they were at school liv-

ing in Berwick-upon-Tweed.

In 1947 at the age of 15 they started dating.

In 1951 Mr Noble joined the Royal Navy as a Stoker and four years later the couple became engaged and were married on June 25th 1956.

Some four years later after seeing service in the Far East, Mediterranean

and home waters, including the Scapa Flow area of Scotland, Mr Noble left the Navy.

On leaving the service in 1960 Mr Noble joined the Light House Service where he served for a term of five years.

The couple have been living in Chard for the past 51 years where Mr Noble could be seen in

various parts of Chard and the surrounding district on his rounds delivering the post, before retiring as Postal Manager.

During this time both Mr and Mrs Noble joined the newly formed branch of the Royal Naval Association in 1987. Over the years Mr Noble has been involved with branch welfare, being its dele-

gate at area meetings and being its president for the past 20 years, a post he holds to this day.

Both Mr and Mrs Noble were really pleased to receive their card from the Queen in celebration of their 60 year of marriage and gathered for a week-end with their daughter, Barbara, and son in law, in Bideford recently to celebrate.

■ NEARLY 100 people went to the annual Combe St Nicholas's Big Lunch in Underway Meade. Big Lunch goers enjoyed a picnic, a treasure hunt, clay pot and tile making and were entertained by accordion and violin live music.

Lynn Osbourne, chairperson of The Combe St Nicholas Parochial Trust said: "The highlight was the dedication of a new bench in memory of Gerry Sayers, who did much work over many years as a trustee of the Meade and as Chairman of the Parish Council."

Pictured is Gerry's widow, Joan and some of the current and former trustees sitting on the new bench.

# Bolters branch out into triathlons

■ CHILDREN from the Buckland Bolters running group, from Buckland St Mary C of E Primary School, near Chard, added swimming gear and bikes to their normal training attire and took part in the Crewkerne Junior Triathlon. A spokesperson for the school said: "An incredibly hard event which they all completed amazingly. We were exceptionally proud of them". Pictured above, left to right, are William Pow, Evangeline Edmunds, Hannah Hill, Isabella Slade and Misha Lanham all finished the Crewkerne Junior Triathlon.

BUCKLAND St Mary C of E Primary School, near Chard, were one of nine schools which recently took part in the county finals of Tri-Golf at Milfield.

Tri-Golf is a child friendly version of golf and, after getting through the qualifying rounds, Buckland narrowly missed out on the county final win, with West Chinnock Primary School

coming away with the win.

A spokesperson for the primary school said: "It was an amazing achievement to get through the area qualifiers, let alone take part in the finals. An amazing one considering we are a school of 54 children. The children had an amazing time and I was proud of their team spirit, support and impeccable behaviour."

# Great turnout at cricket open evening

PERFECT weather ensured a large crowd turned out for an open evening with Ilminster Cricket Club.

Lots of players and supporters converged on the club on Friday, July 9th at Ilminster Recreation Ground to help promote cricket as part of a national initiative spear-headed by the ECB and supported by Waitrose.

There was Pimm's and Prosecco for the adults, while the children enjoyed a bouncy castle.

Refreshments were aplenty, while there was also competitive cricket action as well, with Ilminster Under-19s beating their Queen Camel counterparts in the national T20 competition.

During the interval of the cricket there was a fun "mascot" race with a junior-sized duck beating an adult-sized wolf – better known as Ilminster CC first-team skipper Sam Spurway.

The duck played his part during the match as he accompanied departing batsmen away from the wicket.

There was a great atmosphere at the club, helped by some great tunes being blared out by the DJ.

Organisers would like to thank everyone for attending and making it such a great night for Ilminster CC.

Among those in the crowd was the Mayor of the Ilminster, Councillor Val Keitch.

# Mayor heartened by community spirit after recreation ground fire

THE Mayor of Ilminster has spoken of her disappointment at a fire which damaged the toilet block and tuck shop at the town's Recreation Ground in the early hours of Sunday, July 10th – but has said she is heartened by the community spirit shining through.

A fire at the toilet block at the play area of the Recreation Ground off Canal Way was reported to the Devon and Somerset Fire and Rescue Service at around 1.15am, where crews found a motorbike on fire which had spread to the building.

The fire service had to return to the toilet block at around 6am when another fire was reported to have broken out. The cause is still under investigation.

But the Mayor of Ilminster, Councillor Val Keitch seemingly coming to the conclusion that it might not have been an accident, said: "It is a sad day in Ilminster – fire has damaged the toilet block and the tuck shop.

"The cause as yet is unknown, but I was very heartened by the community response with people who came and helped secure the building.

"Thanks go to the police and fire services, also Mr Sibley who helped secure the site.

"I was very impressed by the community response with lots of people coming

to help."

Firefighters were initially called out early on Sunday morning after receiving numerous calls about a motorbike being on fire next to the toilet block at the Ilminster Recreation Ground.

The alarm was raised at 1.15am to the problem in Canal Way and a fire engine from Ilminster was mobilised.

A further two fire engines from Chard were also called out and firefighters found a motorbike to be well alight under the eaves of the toilet block in the play area at the Recreation Ground.

The motorbike was completely destroyed by fire, while the toilet block also suffered heat and smoke damage.

Firefighters were called out again on Sunday to the toilet block at Ilminster Recreation Ground due to smoke coming from the building.

One fire engine from Ilminster and one from Chard were mobilised at just before 6am and firefighters called for further support from Chard and Yeovil.

Crews put out a fire and now an investigation is underway.

"The building sustained moderate damage in the fire," said a spokesman for the Devon and Somerset Fire and Rescue Service.

# Greenfylde leavers present twist on 'Goldilocks' tale

YEAR 4 pupils at Greenfylde First School in Ilminster received huge applause as they finished a three-night run of their leavers' play – "Goldilocks and the Three Bears" – held at the Warehouse Theatre.

The play was a twist on the original tale and had a very different ending with Little Bear triumphantly getting his porridge having eaten Goldilocks!

Greenfylde headteacher Claire Oaten said: "The children showed amazing acting and siniging skills as the performed in front of a full house every night.

"Having the opportunity to perform in a proper theatre with all the lights and sound equipment gives them another magical memory of being at school and I hope we have helped to set some future actors on the path to stardom."

Greenfylde would like to thank all those associated with putting on the play and especially the help received from the Warehouse Theatre.

■ INTREPID explorers from the reception classes at Greenfylde First School in Ilminster set out recently on a trip to Carymoor Environmental Centre.

The children had great fun exploring the local plants and wildlife and the highlight for the pupils – although not for all the adults – was spotting a snake!

The visit to the centre at Castle Cary formed part of the wider outdoor learning experienced by the pupils, which includes using the Forest School classroom on site including a new bug hotel which was kindly donated by one of the parents.

The children have also taken part in Forest School lessons this term and enjoyed comparing the wildlife and plants at Carymoor with those found more locally on Herne Hill.

A recent national survey revealed that when the British go on holiday at home, the overwhelming majority don't want to eat like Masterchef. Contrary to what fancy restaurants and clever chefs believe, when it comes to holiday meals most Brits taking a break in Britain simply want to eat traditionally.

And according to the CSM poll, their holiday favourites are:

1. Fish and chips [the top meal for 61%]
2. Bacon butties.
3. Roast dinner.

So it's lucky for those who come to Seaton, then, that Daisys' Café in Harbour Road is the mistress of all three.

Super-smart Lynne Derrick realised the preference for home-cooked, simple favourites when she opened Daisys' Café in 2013 and concentrated on freshly-making what people want to eat. So that's a roast every Sunday lunch and fish and chips and bacon butties always available at all other times.

Consequently, Daisys' Café has become an instant hit with locals and its first summer is

The couple made the decision to leave the Axminster Inn when seeing their dream village pub become available. They have thoroughly enjoyed the change of pace, after spending the past two years providing a meeting place for the locals and visitors.

A staple menu of pub favourites is available; dishes are freshly cooked to order by Mandy and

the team, from locally sourced and home grown produce. New Inn Sunday roasts are extremely popular, so bookings are always advisable.

The appeal of the pub this time of year is also the large beer garden with far reaching views of the Axe Valley.

Mandy and Carey offer catering for all functions and families and dogs are welcome in the pub, their three friendly, little dogs have proved to be a bit of an attraction themselves!

Mandy and Carey look forward to your visit.

Open times: 8am to 6pm - [www.honitonshow.co.uk](http://www.honitonshow.co.uk)

THE 126TH HONITON AGRICULTURAL SHOW - THURSDAY 4TH AUGUST 2016

## JOIN THE FESTIVITIES AT HONITON AGRICULTURAL SHOW

THE Honiton & District Agricultural Association hold their 126th show on Thursday, 4th August 2016. The Grand Parade is one of the many highlights of the main ring activities where the day's livestock winners proudly parade. The 2016 main ring parade will be a hive of activity; fantastic acts including top FMX Rider Jamie Squibb. "The Sheep Show" returns to Honiton with its humorous, educational, live stage show all about sheep, 9 breeds will be presented and not to miss is the sheep shearing and their "dancing sheep"! We welcome a first time attraction to Honiton Stuart Barnes and his Dog and Duck Show. Stuart has travelled to over 100 countries working with wildlife; in his show the team use trained and untrained sheep dogs to herd ducks educating the audience about common dog behaviour issues and how to resolve them. The show demonstrates how poorly behaved dogs still have a programmed natural

instinct, giving the audience a new understanding of the Way of the Dog.

For 2016 we have a new facility Rest and Refresh - a marquee offering space to sit rest and enjoy drinks and homemade biscuits. This will be run by the Anglican Churches and will further offer

Mother and baby facilities together with Children's activities.

The lower field incorporates all that is countryside with hurdle making, ferret racing, a blacksmiths guild and a trip down memory lane with a vintage tractor section with nearly 100 vehicles on display. Honiton plays host to the West of England Hound Show, a show within a show, which attracts a huge following countryside. There is the wonderful dog show comprising both pedigree and fun classes for the pet pooch. If chickens are your interest we have a fantastic Poultry show and sale. We have entertainment in abundance for children with Professor Twistopher's Punch and Judy, as seen on the hugely popular and wildly acclaimed television series Down-

ton Abbey or maybe a donkey ride will interest. With over 400 trade stands, including crafts, shopping and a fabulous food hall there really is something for everyone. We have a huge and diverse range of food courts to tickle your taste buds with local caterers offering the very best produce; why not start with a delicious bacon roll lunch with a Dartmoor Farmer's Beef Burger from Kenniford and end the day with a refreshing Pimms from local Otter Brewery. Honiton prides itself on being a truly traditional agricultural show with a unique atmosphere it brings new and traditional agriculture together so make a note in the diary, 4th August, we all look forward to welcoming you. Don't forget accompanied under 16's are free. # HISTORY OF THE SHOW

The first Honiton Show was held in 1890, the 54th year of Queen Victoria's reign in fields on Bramble Hill, Honiton.

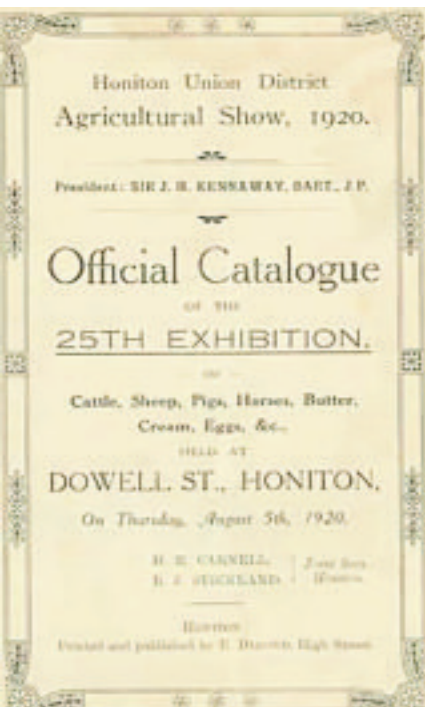

The Association was then named The Honiton Union District Store Cattle and Poultry Association. Its first president was Viscount Sidmouth. That year the show was held on 2nd October, with

admission costing one shilling and a grand after show dinner at the Dolphin Hotel.

Thirty years and a world war later, in 1920 the show moved to Dowell Street and the association was re-named Honiton Union District Agricultural Association. After the second world war in 1946 the classes included Labourers Long Service Awards and judging of the Hunting Hounds. Poultry classes disappeared and dairy cattle were very low on entries; This was due to the rationing taking effect during the war. The year 1948 saw the introduction of The West Of England Hound Show. This was the beginning of what is now one of the

largest and most prestigious Hound Shows in the country.

The association, now known as Honiton & District Agricultural Association, celebrated its centenary in 1990 as a limited company and held a special show to commemorate with some 290 trade stands and compared with closer to over 400 in 2013. The association has come a long way since 1890 and is ready for the next one hundred years!

# Axmouth Village Show

• Saturday 30th July 2016 • Coombe Field, Axmouth •

## 74TH AXMOUTH VILLAGE SHOW

THE Axmouth Village Show is in its 74th year and we are expecting that the local communities competitive spirit in the fields of Horticulture, Home Baking, Crafts, Photography, Flower Arranging and Children's creativity have not wavered since the success of last years event. This spirit is the driving force behind the commitment of the show Committee to deliver a show that the village can be proud of.

The committee hope that villagers, locals and visitors to our part of Devon, all come along to the show this Saturday to see the fine exhibits on show in the main marquee. The show's theme this year is "The Heart" and individual representations of this theme should be displayed within many of the exhibits on show in the main marquee. These will be showcasing the objective of this year's show, which is to purchase a Heart Defibrillator for the Axmouth community. This will be located outside the Church hall and be accessible by anyone in an emergency.

As with last year, we have tried to focus on bringing Devon based produce, entertainment and services to the show for all to the community to enjoy.

The main show ring attractions are Johnathan Marshall Dancing Stallions & Falconry Display, Seaton's Martial Arts Company presenting a

Martial Arts display, the always popular children's races, with the Dog Show Finale closing the events in the main arena.

"Shannon Turner" will be entertaining all the visitors in the main marquee all afternoon with her own brand of local music.

Local stall holders will have a selection of local produce and entertainments for you to peruse and enjoy. We have a locally sourced

BBQ and a Pizza Van for hot food, with the Axmouth & Seaton Ladies supplying tea & cakes in the tent besides the licenced bar which should, all in all, keep you refreshed during the afternoon.

After the prize giving presentation, donated show exhibits from the main marquee will be auctioned off, so please stay all afternoon and grab a bargain.

There is no evening entertainment on offer on the show ground this year, but our local hostellers (The Harbour Inn & The Ship Inn) are hosting events into the night for the community, so please make it a whole day in Axmouth and enjoy our welcome and hospitality.

Please come along to the show and have a fun afternoon. See you there.

LOOK GOOD FEEL GREAT

## West of England Laser Centre

**Q. I HAVE a mole next to my nose which I have often thought about having removed. I am going on a cruise in August to celebrate my 50th wedding anniversary and wondered if I would be able to have the treatment before then?**

**A.** Yes, you have plenty of time to have this treatment before your cruise. Initially you would need to come for a Consultation with our Surgeon on a Monday evening or a Wednesday afternoon at the Nuffield Hospital in Taunton. You can make an appointment by telephoning 01823 331773 or by emailing [lasercentre@lineone.net](mailto:lasercentre@lineone.net). Following the consultation we can book you in for your treatment, usually within a couple of weeks, if you wish to go ahead.

**Q. I have always wanted to have this done... but always been a little nervous how painful is the treatment?**

**A.** Please do not be nervous, this treatment is very painless and straight forward. Our Surgeon will inject a small amount of local anaesthetic into the area prior to treatment. The laser is very precise and targets only the mole itself and does not affect any of the surrounding skin. When the anaesthetic wears off you may feel a slight discomfort or stinging, this is fairly mild but if you do wish to take paracetamol this will help.

**Q. During the cruise I will be exposed to the sun, will I still be able to do this following treatment?**

**A.** We would always recommend using a high factor sun cream whenever you are exposed to the sun, especially on the treated area. You would need to wait 2 or 3 weeks for the skin to be fully healed before you go into the sun but the high factor sun cream will not only protect the more sensitive, treated area but will also help prevent further sun damage.

## Beauty Spot or Mole?

Some moles are more attractive than others, if yours is bothering you, why not have it quickly and painlessly removed by laser?

## Traditional Acupuncture - Val Davis

### Acupuncture can improve and maintain health and energy and enhance a sense of well-being

ACCORDING to traditional Chinese philosophy, our health is dependent on the body's motivating energy (qi) moving in a smooth and balanced way through a series of channels beneath the skin.

Acupuncture can affect the quality of qi, your body's vital energy, by the insertion of very fine needles into specific points along these channels. This stimulates the body's healing response and restores natural balance. Treatment is aimed at the root cause of your condition as well as your main symptoms. This approach helps with resolving your problem and enhancing your feeling of well-being. You may notice other nagging problems resolve as your main health complaint improves.

The type of conditions that I mostly see in my clinics include the following: arthritis, back pain and sciatica, poor circulation,

low energy levels, hormonal/menopausal symptoms, pregnancy management, fertility problems, weight management, and addictions such as smoking. However, you don't have to be ill in the conventional sense to benefit from acupuncture, sometimes people come to see me because they are feeling low, unwell in themselves, or maybe not sleeping as well as they would like to.

Professional Acupuncturists spend at least 3 years training at degree level to become an Acupuncturist. We are then entitled to join the British Acupuncture Council and to use the letters Lic.Ac., B.Ac.C after our names. We also have public liability and professional indemnity insurance. Many of us have also studied at post-graduate level and are constantly updating our skills and experience.

So, why not give me a ring and see if I can help.

## 5 REASONS TO EAT MORE CARROTS

By Sophie Nutt, Press Association

THINK carrots should be left to rabbits? You couldn't be more wrong. When your parents told you to 'eat your carrots', they were definitely onto something. It will come as a surprise to know just how good they are for you - on the inside and out.

Here are five reasons to nibble on more carrots...

### See in the Dark

The old wives' tale that eating carrots will help you see in the dark isn't actually that much of a myth. Carrots contain a high level of beta-carotene, which the human body converts into Vitamin A. Although this isn't enough to cure existing problems, the level of Vitamin A found in beta-carotene helps protect the surface of the eye from any future damage. "[The Age-Related Eye Disease Study] shows that higher levels of Vitamin C, Vitamin E, beta-carotene, and zinc reduced the risk of age-related macular degeneration (AMD) by 25% in those at higher risk," says Dr Carrie Ruxton, member of the Health Supplements Information Service ([www.hs.is.org](http://www.hs.is.org)).

### Reduce the Risk of Cancer

A natural pesticide found in carrots called falcarninol is said to guard you from cancer when eaten on a regular basis. "Carrots contain powerful antioxidants known as carotenoids. Research has shown that carotenoids have powerful cancer-fighting properties. Skin, breast and prostate cancers are thought to be the cancers that can benefit the most from an ample intake of carotenoids," says nutrition expert, Julie Montagu ([www.juliemontagu.com](http://www.juliemontagu.com)). "One large carrot contains 15,503 micrograms of beta-carotene, which is a certain type of carotenoid. Only a handful of other foods have higher doses of this cancer-fighting compound." Juicing your carrots or eating them raw seems to be the best way of getting the proper amount of falcarninol into your diet,

whereas boiling the vegetable results in a 70% reduction of the natural chemical.

### Heart Protection

As well as beta-carotene, carrots contain alpha carotene and lutein, both of which have heart-protecting properties. Even beta-carotene itself is an antioxidant and stops the oxidation of bad cholesterol. This all helps to reduce the risk of a heart attack and, instead, boost heart health. In contrast to eating them raw for their carotenoids, to extract the maximum amount of antioxidants carrots have to offer, try boiling them, as it's easier for our bodies to benefit from their goodness this way.

### Memory Game

As we get older, 'free radicals' try to attack healthy cells in our bodies and if you don't put up a fight, you'll experience a loss of memory as you age. "The beta carotene in carrots are an important flavonoid compound and therefore have powerful antioxidant functions that help the body scavenge free radicals. Due to this, beta carotene limits damage to cell membranes," says Shona Wilkinson, head nutritionist at NutriCentre ([www.nutricentre.com](http://www.nutricentre.com)). "Free radical damage is part of the ageing process and it therefore makes sense that by limiting this as much as possible, you reduce the incidence of health conditions as you age."

### Glowing Skin

Carrots look after your skin, too. They are a cheap and healthy way to keep your skin looking vibrant, as their antioxidants and vitamin C battle pesky free radicals that could otherwise cause damage to your complexion. Vitamin C also helps aid collagen production in the body, helping prevent wrinkles and stalling the ageing process. Carotenoids also condition and hydrate the skin, as well as enhance immunity against harmful sun rays.

## Bowen Therapy & Energy Healing

### A Medicine Called Energy!

AS remarkable as the intelligence of your body and the energies and energy fields that animate it, this intelligence, this guidance system, evolved for a planet that in many ways no longer exists. It is still attuned to an environment with no pollutants in the air or food, no crowded appointment books, no jet travel, no email tyranny, no danger of not getting exercise, no conflict between your career or children. Evolution could not have possibly anticipated the sedentary, information saturated, polluted world in which your body is trying to thrive.

If we want to thrive in the world we actually inhabit, a new set of adaptations, a new vibration beyond your bodies ancient strategies, needs to be introduced.

The underlying principle of Energy Medicine is that by changing your vibration in your body you can change the actions of its chemistry, helping it best adapt to the strange new world in which we all live. You can evolve your body by changing its energy habits.

Energy Medicine takes you on a personal tour of your body as an energy system and it offers simple energy tools you can use to help your body function at its best. These tools are generally more precise, often more effective and certainly less invasive than medication or surgery. They can also be self applied, are 24/7, and are free. You will be shown how to tap into your intuition, embrace your natural self healing abilities and acquire new tools for assessing and optimizing your health.

#### Therapy of the Month

##### Homeopathy – Linda Lester RSHOM, LCCH

Homeopathy was discovered in the 18th century by a German medical doctor. He realised that there were two ways of treating illness, the way of opposites and the way of similars.

If you go to your doctor because you have acid indigestion your doctor may prescribe you an antacid or a medication that reduces the amount of acid your stomach produces. This is the way of opposites. A homeopath would try to find a remedy that would produce similar symptoms to that which you are experiencing and treat you with a minute dose of that substance; this is the law of similars, treating like with like.

The philosophy of homeopathy is based on a process of looking at the person as a whole, rather than specific conditions in isolation.

Homeopathic medication, often called remedies is overall safe and non-toxic as only minute amounts of active ingredients are used in their preparation. The homeopath will take a thorough history from you to understand your exact symptoms and will consider all aspects of your lifestyle and current health problems in order to find the right remedy for you.

## Lindy Parry Podiatrist/Chiropodist

I HOLD my private chiropody clinic at Townsend House Surgery in Seaton.

I offer a range of treatments from a simple nail cut to nail surgery, and each treatment plan is priced accordingly.

The nail cutting only service is a shorter appointment and is ideal for those that don't have any other foot care needs. Others like to alternate nail cuts with chiropody treatments as it best suits their requirements. I always aim to work with the patient to find the best treatment plan to suit each individual. Patients feet are then monitored during treatment so that changes can be made should the need arise.

Diabetic patients who attend for chiropody will also have a diabetic foot assessment carried out during their first treatment, and will then be monitored and re-assessed as necessary.

My chiropody clinics are available to anybody seeking help with their feet and Townsend House and I look forward to welcoming you.

Bookings can be made by calling 01297 22956.

## 6 TIPS FOR TRAVELLING WITH DEMENTIA

By Kate Whiting, Press Association

HOLIDAYS can revive the body and soul, and even a few days away from the stresses, demands and humdrum of daily life can work wonders.

Thousands of UK families are living with dementia - associated with progressive memory loss, difficulty with thinking and language and carrying out everyday tasks - and experts predict that by 2025, the number of people diagnosed will reach a million.

Although getting away on holiday might be more difficult when a family member or loved one has the condition, the charity Dementia UK (www.dementiauk.org) has outlined some simple steps to make travelling with people with dementia go more smoothly...

1. Make sure you have medical insurance and take all of the documentation with you in case of a medical emergency. If you're holidaying in Europe, have an EHIC card - a free European Health Insurance card (visit www.gov.uk/european-health-insurance-card) Prior to going on holiday, do some research so you know where the local doctors' surgeries and hospitals are located.

2. Ensure the person with dementia has ID and emergency contact details on them at all times. If they get lost, it will be easier for someone to get in contact with you. Potentially, consider a personal GPS that the person with dementia can wear.

3. Orientation is a challenge for someone living with dementia and being in an unfamiliar location could cause disorientation. Give the person with dementia a plan of the building and also walk them around the building you are staying in when you first arrive. Print out some signage that you can put up around your accommodation, like toilet/ bathroom, bedroom, kitchen etc.

4. Plan your activities for in the morning as the person with dementia is likely to get tired as the day progresses and tiredness can cause disorientation. Also, don't plan too many activities as this can cause tiredness and exhaustion, leading to disorientation and potentially agitation.

5. Portable low-level lights, that are easy to pack, will help during the night, should the person with dementia wake up and become disorientated by where they are staying. You can also get apps on your phone which provide night light.

6. Keep an eye on the person with dementia for signs of distress and anxiety. They may be feeling it, but not telling you as they don't want to ruin your holiday.

**Stress describes the feelings people experience when the demands made upon us are greater than the ability to manage them...**

HELPING you to take control of your life.

Stress describes what most people experience when the demands made upon individuals are greater than the ability to manage them. People can feel overloaded, under tremendous pressure and feel tense or emotional.

Stress affects everyone, young and old and is a completely normal reaction that will be experienced by everyone from time to time when faced with new or challenging situations.

External stressors are sources of stress that we are aware of around us, these can include traumas, life experiences or simply daily hassles. Internal stressors are the sources of stress that are inside us and are often the most common sources of stress. They are the thoughts and feelings that pop into the head and cause unease, these can include unrealistic expectations, uncertainties, low self-esteem and apprehensions.

The work place is also known to be a big influence in stress. A study found that more than half of people in work suffer from stress over a period of a year, and statistics show that a quarter of workers have taken time off sick due to stress and that stress is the leading cause of sick leave. Common causes of stress at work include; workloads, long hours, responsibilities, role expectations, bullying or harassment, lack of job security, poor working environment, and lack of support.

Stress can manifest itself as many different symptoms, ranging from physical to psychological and behavioural, and people may experience these to varying degrees. Physical symptoms can include; increased heart rate, sweaty palms, muscle tension, sleep disturbance, fatigue, vomiting,

change in breathing patterns, dry mouth, headaches, nausea or dizziness, indigestion or heartburn and sudden weight loss or gain. Psychological symptoms can include anxious thoughts, irritability, low self esteem and confidence, inability to concentrate, feeling fearful, feeling unable to cope, difficulty

making decisions, feeling negative and lack of interest in life, feeling alone, loss of creativity, withdrawal, frustration and confusion. Behavioural symptoms can include interrupted or lack of sleep, use of drugs or alcohol, a changes in appetite, avoiding situations, changing habits, nail biting, teeth grinding, neglect of physical appearance, lack of communication, putting off difficult jobs and giving excuses.

The first step in helping to manage the stress that you experience is to recognise what is happening is a natural response, then changing it. Michelle Hague is here to help you take control of your life.

Clinical Hypnotherapy can help to reduce stress and cognitive behavioural therapy and mindfulness have all been used to treat it. For more information or to see if Michelle can help you call 07761773563.

## Eden Garden Developments

## Eden Garden Fencing and Landscaping

AT EDEN Garden Fencing and Landscaping based in Seaton, Devon we have been building and installing quality Fencing, Gates and Decking, along with Landscaping, for some 15 years. This makes finding a Fencing Contractor simple by providing for all clients' requirements, large and small locally. The timber products side of Landscapers, Eden Garden Developments, offers a friendly, professional, integrated service and the Seaton, Devon base covers a 30 mile radius.

A timely example, given the present gusty conditions, is Garden Fencing, where this can be replaced or repaired, depending upon condition and the budget available. This can be either Close Board, Panel (with or without Trellis), Post and Rail or Picket Fencing. Eden Garden Fencing and Landscaping also supply and fit Gates (see insets). Whilst we take pride in installing robust and durable fencing products, "cost leadership" is still at the forefront of the business, whilst keeping quality and the principles of design foremost. Much of the work can be done during Autumn and Winter when the ground is less compacted and this time is also perfect for renovating the garden generally. So by Spring many garden improvements can be ready to be enjoyed.

There is now a dedicated Timber Products website, [www.edengardenfencing.co.uk](http://www.edengardenfencing.co.uk), giving examples of the range and quality of workmanship. ## Greenshutters Nurseries

GREENSHUTTERS Nurseries & Garden Centre is a family run business nestled in the heart of the Somerset countryside. It is open 7 days a week and stocks an extensive range of plants. The Garden Centre has completely changed in the last few years with the layout being completely re-designed. There are new entrances from the road and into the Plant Area and the old-fashioned wooden greenhouse has been restored to its former glory with its bright, white painted wood. Most of the plants are now on tables so you don't have to bend down to look at them and the layout has been designed to make the walk around the plant area enjoyable.

This year Greenshutters Garden Centre is stocking a much larger range of herbaceous perennials and roses, including new and unusual varieties. There is also a new range of quality garden benches dotted among the plants, so you are welcome to wander around the garden centre and take a rest as you go. You can even sit and enjoy the view over Taunton Vale and the Quantocks.

The business also incorporates EVER-GREENHEDGING.co.uk, one of the largest stockists of evergreen hedging plants in the country. Thousands of plants are grown every year on the nursery from small to large, mature hedging plants; the best sellers being Laurel,

Leylandii, Photinia 'Red Robin' and Portugal Laurel. These are delivered locally or nationwide or can be collected from Greenshutters Nurseries and Garden Centre.

Greenshutters is run by Dr Roger Eavis, who bought the nursery in 1998 and the business has grown steadily every year since then. "We pride ourselves on good customer service and advice, good quality plants and I hope we have created a pleasant place to wander and enjoy the plants," says Roger, "We have a great team of staff who are always willing to help and give advice". Greenshutters Nurseries and Garden Centre is well worth a visit.

For more information visit their website at GREENSHUTTERS.co.uk or follow them on Facebook at Facebook.com/GreenshuttersGC.

# Patsy Cline and Friends

Tribute concert to Patsy Cline, Hank Williams and Jim Reeves at the Beehive

THE Velvet Country voice of Patsy Cline caught the imagination of Sue Lowry who has been a lifelong fan of Patsy Cline and Country Music!

Patsy Cline was a record breaking recording artist spending 251 weeks in the Country Music Album charts in the U.S.A. A down to earth Country 'gal' who could look good in Western

wear or any evening dress, as she performed all the Country Ballads.

Sue Lowry, with her powerful rendition of 'Crazy', 'Sweet Dreams', and 'I Fall to Pieces', will take you back to those honky tonk days of pure country music. Other songs include 'Honky Tonk Merry go Round', 'She's Got You', and 'Got a

lot of Rhythm in my Soul'.

Joining Sue Lowry will be Marc Robinson, who has been up to now renowned for playing Buddy Holly, will pay tribute to the Granddaddy of Country Music Hank William, with songs including 'Howlin' at the Moon', 'I saw the Light', and 'Rutti Tutti'.

Lee Davidge performs a sensitive tribute to Jim Reeves with his authentic costume and iconic mesmerizing voice, songs will include ... 'Wel-

come to my World', 'Distant Drums', and the song everyone knows and can join in with, 'Bimbo'!

Wear your western gear and join us for a hayride of a show!

Suits all ages, as long as you're prepared for a 'Honkin Tonkin' good Time!

The Patsy Cline and Friends show comes to The Beehive, Honiton on Saturday, August 6th, from 7.30pm. Tickets are £15, available

Patsy Cline and Friends

## Four-star films at The Beehive

TWO four star reviewed films coming to The Beehive on Friday, July 29th, and Saturday, July 30th at 7.30pm.

'The Daughter', is a tale of small town Australia haunted by the past.

The Guardian review wrote: "Simon Stone's striking bloodline squabble."

The writer-director returns to The Wild Duck

for his lush, moody feature debut, reconfiguring Ibsen with sublime production values and a pedigree cast.

In an age of blockbusters and sequels, 'Chicken' - from filmmaker Joe Stephenson - is the kind of low-budget British indie which restores faith in cinema as a means of genuine storytelling with well-rounded, engaging

characters. Receiving a glowing endorsement from none other than Sir Ian McKellen, this debut feature needs no further introduction but announces the arrival of a promising young director with a tale of acceptance, hardship and perseverance which reaches far beyond its insular location.

For more details see the advert below.

## SEATON EATS BOUTIQUE

# Whistle down the Wind

SUNDAY, and the Ottregians had their technical rehearsal at King's school Ottery!

WOW! amazing singing and acting - this is going to be a very powerful show! 'Whistle Down the Wind' has stunning music and a really good story. Tickets are only £8 and £4.50 with all profits going to Hospiscare. If you miss this musical it would be a shame as it is a rarely done musical by Lloyd Webber with musical numbers you will recognise and find yourself humming. The story is powerful and the cast are amazingly talented with professional musicians who play many instruments to set the scene brilliantly. It has a cast of local talent both adult and children, who will make you laugh and cry as the story is enacted with pathos and humour, with singing that showcases both ballads and rock numbers- it was fiendishly difficult but the company have cracked it!

Come and buy tickets on the door everynight from tuesday to saturday at 7.30pm, or from the Hospiscare shop. It will be memorable.

# Wondering back to the era of rock 'n' roll

THE UK's number one tribute to the music of the 50s and 60s – The Wonderers – will play live at Winstons in Seaton on Friday, August 12th.

The Wonderers not only replicate the sounds of the era, but also the look, and have been wowing audiences up and down the country. They are looking forward to playing their first ever South West gig.

Roll back the years to the songs of rock 'n' roll legends including Elvis, Buddy Holly, Little Richard, Eddie Cochran, Big Bopper and many more.

Winstons Manager Chris Oakes said: "this is a big event and is selling quickly even before we advertised, so don't miss out".

The show starts at 9pm. Tickets are £10 in advance and £13 on the night, and can be bought from Winstons, Beer Village Stores, or Ax Music, Axminster.

The Wonderers

## Come and have the Time of Your Life!

Green Date

AS PART of Winstons' double header music weekend, the world's number one tribute to Californian punk-rockers Green Day, 'Green Date', will be playing live.

Green Date have been endorsed by Green Day themselves. Green Date frontman Bille Joe says: "We are gonna shake Winstons to the rafters - you ain't seen nothin' like this!".

Having played together for several years, they have built an excellent live reputation and regularly play to 15,000+ people in this country and around the world.

Winstons manager Chris Oakes said: "this is the biggest act we have put on so far and we have sold over half the tickets, this will be a sellout."

Expect to here all the classics from 'Basket Case', 'Time of Your Life', 'American Idiot', and many more.

The show starts at 9pm and tickets are £10 in advance, £13 on the night and are available from Winstons, Beer Village Stores, or Ax Music, Axminster.

ALTHOUGH July at The David Hall featured just two visiting musical acts, this is again a memorable month.

Firstly, on Friday July 1st we welcomed back - after a 14-year gap - Steve Ashley, who is one of Folk music's finest singer/songwriters. He gave a stunning performance and the audience was left spellbound - not just by his distinctive voice and virtuoso guitar playing, but also by the quality of his self-penned material. After four decades on the road I can honestly say that Steve is better than ever!

On Sunday 31st July we shall be featuring one of Scotland's most popular bands: Shooogenifty. They are headlining at Sidmouth Folk Festival on Saturday and will be with us the following day - and, surprisingly, at the time of going to press, tickets for their South Petherton gig are still available!

For more than two decades, Shooogenifty has fused traditional-sounding tunes to devilishly dirty rhythms. This band has toured the world and their globetrotting adventures have a great influence on their music.

This is an event not to be missed! The only problem will be fitting all seven of the band onto our stage! Please support this really special 'Chance to Dance' event, which starts at 7.30pm on Sunday next. Tickets are £20.00 (£19.00 concessions).

As in previous years, musically, we are having the month of August off - the exception being Acoustic Night on Friday 19th. Therefore, I thought I would give you early notice of some of the artists who will be with us at The David Hall this Autumn.

There is again a mix of artists returning to perform, together with many who will be appearing in our unique venue for the first time

The regulars include St Agnes Fountain who, once again, will perform at The Hall for two nights in December. Their second appearance - on Saturday 10th - has already almost sold out (not bad, given that we are only in July!). Also back just before Christmas are the excellent duo, Belshazzar's Feast; and in September, after an 8-year gap, the ever-popular Strawbs will perform their acoustic set.

Artists performing for the first time include, in September, the fabulous eight-piece band, The Home Service. They are now fronted by the great musician John Kirkpatrick and retain many original members from their formation in 1981. Newcomers to Petherton in October are Rob Heron and the Tea Pad Orchestra who will perform their own brand of Western Swing, Blues, Gypsy Jazz and Country.

In November, we shall welcome the Welsh band Calan, who are always great fun: as well as superb musicianship, step dancing from a champion dancer makes for a terrific show.

I hope this has wetted your appetite for what the Autumn has in store at The David Hall. There is very much more, and full details can be obtained from the printed programme - copies of which are available in several local locations, as well as at The David Hall, and on our website:

[www.thedavidhall.org.uk](http://www.thedavidhall.org.uk)

I look forward to giving you details of our exciting September programme next month.

*Meanwhile, Happy Summer Hols to you all!*

# SPEAKEASY AT THE ARTS CENTRE

POPULAR jazz pianist Mike Denham returns to Ilminster Arts Centre to host another of his 'Speak-Easy Nights' on Friday, August 12th.

Joining Mike for this vintage jazz event is trumpeter Steve Graham and blues shouter Hamish Maxwell. A skillful multi-instrumentalist (the lute and the bagpipes are amongst his accomplishments) Steve is one of the UK's most-respected New Orleans style trumpet players. His ability to explore the full range of the music, from the sweet and melodic to the hot and dirty, from the low-down to the cultivated, ensures that his performances are always enthralling; Steve takes the music to another level.

Hamish Maxwell is a powerful singer in the mould of Big Joe Turner while also being reminiscent of the great George Melly. Hamish cut his teeth in the skiffle era and over many decades has performed with many of the top names on the International music scene. His impromptu performance of 'Roll 'em Pete' accompanied by Patrick Smet, at the 2011 UK Boogie Woogie Festival went down storm and he has been a festival and boogie club night favourite ever since!

Mike Denham is one of the most popular performers at the Arts Centre, and his concerts generally play to a full house. A brilliant pianist, Mike's love of early jazz is second to none, and he is always happy to share his wealth of knowledge with the audience via an array of amusing but informative anecdotes.

This will be an evening of music from the golden age of jazz played by three big characters who also happen to be cracking musicians. Advance booking is strongly recommended. Tickets £14 (pre-show supper £13 at 7pm, must be booked in advance). Box Office 01460 54973.

# Axmouth children rule the world!

THE Drama Club section of ACT (Axmouth Children's Theatre) put on an end of sessions production recently. This show over two nights was put on for friends, families and invited guests to allow the children to showcase what they have been doing during the sessions. The hall was full both nights as the youngsters went through their paces with comedy sketches, many of which they had written themselves, dances, songs, monologues and poems.

The audiences were treated to some excellent routines as the cast performed their program loosely revolving around an imaginary school and entitled "When Children Rule the World", overseen by a strict headmaster.

The confidence that the cast have been developing shone through and they received a well-earned encore on the Saturday. Also the togetherness and the enjoyment was clear for all to see. Credit for individual sketches goes to Ellie, Imogen, Euan, Caitlin and Lilley.

Credit must also go to Beth Wood and Samantha Tooze for all of their help throughout the term and to Lindsay and the backstage staff and all of the other parents who helped. What was extremely pleasing was to see older cast members who have left the fold returning to help in other roles.

ACT are now taking a short break before returning in September to start work on their next main production.

# Live music and BBQ at OAK FEST

"I AM now on my third year here at the Royal Oak," says landlord Martin. "I love running the pub and try to put on a varied amount of entertainment for my locals and of course new customers who are welcome to come along to our old traditional pub".

The Royal Oak runs an open mic night every fortnight with host Elijah Wolf, and for bingo fans that is also run fortnightly. Wednesday is the ever popular quiz night.

There is a large function room and have several skittle teams who play for the pub, and not forgetting the darts teams, so there is always something happening every evening.

The Royal Oak can boast the largest beer garden in Crewkerne with two marquees; one for the groups to play in, and the BBQ marquee. In the summer months they also use the Pe'tanque (boules) pitch.

You are always sure of a warm welcome when you visit the bar, and landlord Martin looks forward to old and new customers enjoying the Pub.

An exciting new music venue called 'The Hideaway Bar' is due to be opened soon - watch this space for the grand opening date.

## 'DIFFERENT ROADS SOMETIMES LEAD TO THE SAME CASTLE'

IF you follow Game of Thrones you might recognise the quote but I think it sums up the post Brexit mood quite well. Whether you voted remain or leave we are where we are and there is a collective desire to arrive at the same place. A

stronger, stable and healthy economy is the desire of everyone.

Research from Symonds & Sampson shows that we are on the right course with more sales agreed since the referendum than in the same period last year. In 2015 we were expecting a post-election lull but it was slow to materialise and the summer lull came early. This year people have postponed making the decision until the outcome but then, in the overwhelming number of cases, proceeded as they had planned.

So what's the explanation? For most buyers and sellers the drivers to move are employment, age

and more importantly the stage of their life, affordability and housing need. So if you think you're still going to have a job, still need somewhere to live and can access mortgage lending then needs must. Moving to be nearer work or grandchildren, a desire for a larger or smaller house or garden or just a place of your own are decisions that cannot be put off forever and being happy is often far more important than worrying about what might happen in two, three or five years.

Change is likely to be slow – interest rates are forecast to remain low and lending availability should remain constant, unlike in 2008/9 when the banks were in deep trouble. This means we would expect house prices to remain stable as demand persists and new supply is historically weak. This said, with uncertainty comes hesitation and we may see the number of transactions cool as people feel less urgency to move or climb the ladder. So while the basic need to buy and sell will keep the market predictable for the majority of buyers, there have been some interesting upshots from the Brexit vote.

Our sales throughout Dorset, Devon, Somerset, Wiltshire and Hampshire have been strong, £45 million agreed since 24 June, with buyers contin-

uing to move from the South East and London but it is the enquiries from ex pats in Europe that have been most interesting. Many UK citizens living in France, for example, are nervous about President Hollande and the taxes that he might impose on them.

A welcome by-product of the Brexit vote may well be that a root and branch review of the structural housing deficit is high on the political agenda, leading to a more creative and concerted long-term strategy to build more suitable homes. The abandonment of the 2020 target for eradicating the budgetary deficit may give more funding options than previously existed to make some serious inroads

So the current sentiment seems more concerned with day to day practicalities of life than the uncontrollable machinations of global politics. There can be no doubt that impacts to the cost of borrowing, employment, skilled migration for the house building sector, internal UK politics and EU deals will all influence the housing market but with a new prime minister who appears strong, and certainly no pussy cat despite the kitten heels, it seems that we are back on the right road.

## SPOTLIGHT ON MY SERVICE

# Jim Rose

## Qualified Window Service Engineer

My name is Jim Rose and I am a fully qualified window and door service engineer, repairing double glazed windows and doors in the Exeter and East Devon area for over 30 years. Before establishing my own repair business 20 years ago I worked for national companies Anglian and Europlas where I gained vast experience in many areas of my trade and excellent customer care skills.

I specialise in Misty double glazed sealed unit replacement, this is when it looks like there is condensation between the glass, all my replacement units are manufactured locally and carry a 5 year guarantee. I measure and fit all my own units which helps to keep costs competitive.

If your windows and doors are draughty, leaking or not closing correctly there are things that can be done to resolve these problems sometimes it is just a simple adjustment or maybe new hinges or closing mechanism, no matter how old they are there is normally a solution many parts are still available.

I offer free quotations with no call out charge and all my repair work carries a guarantee.

## Kit your MG GS out for summer

SCHOOL'S out and it's time for summer and, for some, that means holidays or at the very least a fun, family day out.

MG Motor UK's newest model, the MG GS, is the perfect solution for getting a family and all the necessary equipment in whilst still maintaining comfort and space. To make the MG GS even more family and adventure friendly, there is a fantastic array of accessories available.

For those looking to head out on their bikes, roof cross bars (£204.00) are the perfect accessory to hold cycle carriers (£192.00). Or, if the preference is to place bikes on the back, a tow bar cycle carrier (from £131.99) is also available to carry them neatly to the chosen destination. The roof cross bars are also ideal for a roof box. The 360-litre roof box (£420.00) with a three-point locking system, for additional security, has a quick attachment that fits the box to the roof bars entirely from the inside.

Hoping to tow a caravan or trailer? Great news, the MG GS has a towing capacity (braked) of 1,750kg. A tow bar is also available in the accessories range making it easier to fit, hook-up and tow.

For the more practical customer, who might want to kid-proof or simply protect their MG GS, there is a range of rubber mats (from £30.00) for the front, rear and boot. These handy accessories protect the car's interior from mud, spillages and water keeping the MG GS in showroom condition.

Those looking for a dog-friendly vehicle will be pleased to hear that the MG GS is also available with a dog guard (£75.00).

There are a number of other accessories for customers looking to make their MG GS stand out even more, including chrome effect side grilles, a chrome effect tailgate finisher and speed flash decals. For the full range and prices, visit [mg.co.uk/owners/accessories/](http://mg.co.uk/owners/accessories/).

The MG GS range starts from £14,995 and is currently available with a number of great

offers, including:

An £850 deposit contribution on all MG GS models

0% APR representative finance, which is available up to five years with a minimum 20% deposit

A five year or 80,000 mile (whichever occurs first) manufacturer parts and labour warranty

If you want to find out more about the newest SUV on the market, visit [www.mg.co.uk/gs](http://www.mg.co.uk/gs).

## Summer car rentals set to increase as Brexit boosts staycations

DEMAND for car rental will surge this summer as more Britons react to current exchange rate woes by taking last-minute staycations in the UK, according to the leading industry body for vehicle rental and leasing.

The British Vehicle Rental and Leasing Association (BVRLA) made the prediction as it published new figures showing just how important a role car rental plays in the travel plans of millions of Britons. Its research shows that:

- There were 10.9m car rental transactions by UK residents in 2015
- 18 per cent of UK adults have rented a car in the UK, and 13 per cent have rented overseas
- 63 per cent said flexibility and convenience were the main reasons for renting

Gerry Keaney, Chief Executive of the BVRLA, said: "We predict a surge in demand for rentals as people take mini-breaks in the UK due to the weak pound. In a further boost, the current exchange rate will also attract

overseas visitors which can be expected to increase rental demand."

"We urge holidaymakers to look out for the BVRLA logo when renting a car in the UK. Consumers who hire from a BVRLA member will have the peace of mind that the rental company offers high quality vehicles, adheres to a rigorous code of conduct and offers a dispute resolution service for further protection."

The BVRLA has issued the following tips for holidaymakers renting a car:

1. Only use a BVRLA member as you are guaranteed a quality assured company that operates to a professional code of conduct.
2. Do your homework. If you're relying on a price comparison site when getting quotes, pay close attention to what isn't included in the price.
3. Read the terms and conditions of your contract with the rental company.
4. Understand the insurance excess and waivers. Check if there are any exclusions to your loss/damage waiver or your insurance.

5. Find a fuelling option that suits you. Remember what you agreed to in order to avoid gifting the rental company a free tank of fuel or paying an extra charge to have the tank re-filled.

6. Tell the rental firm how you plan to use the vehicle – such as taking it abroad.

7. Arrive prepared. Remember to turn up at the rental desk with the credit card you used to make your booking and your driving licence.

8. Know what you've booked: Ensure you have thought about whether you are prepared to pay for any extra cover or an upgrade.

9. Check the vehicle over before you drive away. Don't sign any paperwork until you have read it through and are happy with it.

10. When returning your vehicle, allow plenty of time to check over the vehicle's condition with a rental agent present.

# Mercedes-Benz announces UK pricing and specification for new E-Class estate

## ▲ The new Mercedes-Benz E-Class Estate

THE new Mercedes-Benz E-Class Estate is now available to order, priced from £37,935 for the E 220 d SE and £40,430 for the E 220 d AMG Line.

Initially, only the diesel-powered four-cylinder E 220 d will be available, with the six-cylinder E 350 d and petrol 3.0-litre V6 Mercedes-AMG E 43 joining the range later this year. Pricing for the E 350 d and E 43 will be announced when ordering opens in October.

The E 220 d features Mercedes-Benz's all-new four-cylinder 2.0-litre turbo-charged engine, which produces 194 hp and 400 Nm. A 9G-Tronic automatic gearbox comes as standard. It offers a combined fuel consumption of 67.3 mpg and CO2 levels from just 109 g/km, and it can reach 62 mph from standstill in just 7.7 seconds.

The E 200 d has been added to the E-Class Saloon line-up. It features a 2.0-litre engine with an output of 150 hp. It emits just 102 g/km of CO2 and delivers up to 72.4 mpg on the combined cycle.

As standard, SE models come with Garmin Map Pilot navigation system; Agility Control suspension; Easy-Pack automatic powered tail gate; Parking Pilot including Parktronic and reversing camera; chrome roof rails; 64-colour selectable LED interior lighting;

Keyless-Go starting function; heated front seats; DAB radio; and 17-inch alloys with a five-spoke design.

For an extra £2,495, AMG Line adds AMG exterior styling with 19-inch alloy wheels in titanium grey; upper dashboard finished in Artico leather; black ash wood trim; brushed stainless steel AMG sports pedals with black rubber studs; and a three-spoke AMG steering wheel wrapped in Nappa leather.

Premium and Premium Plus packages are also available. The Premium pack (£2,795) includes Keyless-Go Comfort package; Memory package; and a panoramic glass sunroof. For an additional £1,100, Premium Plus adds the Burmester surround sound system with 13 speakers; and a Multibeam LED Intelligent Light System.

Next-generation driver assistance systems include a Lane Tracking Package (£595) that includes Passive Blind Spot Assist and Active Lane Keeping Assist; and the more comprehensive Driving Assistance Plus Package.

The Driving Assistance Plus package costs £1,695, and includes Drive Pilot, which combines three innovative assistance systems; Steering Pilot, Distance Pilot Distronic, and Speed Limit Pilot. Steering Pilot detects road markings and actively assists the driver by one-sided braking, guiding the car to stay within its lane. Distance Pilot Distronic uses radars to maintain a set distance from the car in front, while Speed Limit Pilot detects a change in speed limit and automatically alters the car's speed without intervention from the driver.

Active Brake Assist with cross-traffic function, Evasive Steering Assist, and Pre-Safe Impulse Side are also included in the Driving Assistance Plus package.

Command Online is available for £1,495 and increases the standard 8.4-inch navigation screen to 12.3 inches. Customers can opt for the 12.3-inch cockpit display – creating a widescreen effect inside the cabin for just £495.

## Somerset on course for quarter-finals

Kraucamp and Dopson land centuries for Ilminster – Josh the jewel in North Perrott derby victory

### With the Cidermen

#### Specsavers County Championship Division One

##### NOTTINGHAMSHIRE v SOMERSET

THE seventh double century of Marcus Trescothick's illustrious career, and his first three figure score at Trent Bridge, launched Somerset's charge for a second County Championship victory of the season in the heat of Trent Bridge.

The former England opener was last man out (having never 'carried his bat' through an innings) in the visitors' first innings for an energy-sapping 218 having faced 355 balls.

By then The Cidermen had racked up 437 giving them a 35-run lead over their hosts just after tea on day three.

Notts were under pressure early on in their second innings with two wickets down and Somerset still holding a slender lead.

But by stumps they had edged ahead by 22 runs at 58 for 2 with the threat of talented Pakistani leg spinner Imran Tahir looming large in Somerset's 2nds innings on a last day pitch.

But day four swung conclusively Somerset's way. Fine spells from Jim Allenby, Lewis Gregory (including the unusual 'hit wicket' dismissal of wicket keeper Chris Read) and Craig Overton saw Notts shot out for 135 after a painstaking 66.2 overs.

Chasing a 100 for victory openers Trescothick and Johann Myburgh sprinted home with the later smashing 22 off Tahir's fourth over.

**Scores: Nottinghamshire 1st inns 401 all out – 130.3ov (S.Mullaney 165, J.Libby 90; C.Overton 25.3–9–54–4, J.Leach 36–2–120–3).**

**Somerset 1st inns 437 all out – 127.4ov (M.Trescothick 218, J.Allenby 63, J.Myburgh 54, C.Rogers 48; I.Tahir 36–4–7–112–7).**

**Notts 2nds inns 135 all out (J.Libby 44; J.Allenby 14–6–23–3, L.Gregory 12.2–2–27–3).**

**Somerset 2nd inns 100 for 0 (J.Myburgh 58\*, M.Trescothick 37\*).**

**Somerset beat Nottinghamshire by 10 wickets.**

#### NatWest T20 Blast Glamorgan v Somerset (at Cardiff)

SOMERSET failed to transfer the euphoria of their County Championship victory into their doomed T20 campaign.

After being asked to bat first only James Hildreth (39 off 28) and, to a certain extent, Josh Davey (23/23) impressed in a weak batting display that produced just 152 off the allotted 20 overs.

South African Colin Ingram, having taken 3 for 20 with the ball then steered the Welsh county into the quarter-finals with a 37-ball 54 with impressive teenager Aneurin Donald unbeaten on 44. The pick of the Somerset attack was Max Waller (1–20).

#### Royal London Cup – South Group Somerset v Glamorgan (at Taunton)

AFTER once again being asked to bat by their Welsh neighbours, Somerset made a decent start as the looked to take a step closer to the last eight in the 50-over competition.

Johann Myburgh was first out for a swift 39 at better than a run-a-ball with the score on 63 in the 10th over.

But skipper Jim Allenby and Pete Trego maintained the momentum with a second wicket stand of 86 before Allenby was run out for 53 (62 balls).

Trego went on to a top-score 80 (6x4, 2x6) as Somerset posted 322 from their 50 overs with Craig Overton clubbing a rapid unbeaten 37.

Glamorgan stated steadily and had reached 68 when the first wicket fell when Jacques Rudolph was caught reverse sweeping of Myburgh. The risky shot off the same bowler accounted for Will Bagg and the Cidermen were fizzing.

They remained on top for the remainder of the match which was delayed by a rain interruption. Overton then removed the dangerous paring of Colin Ingram and Aneurin Donald.

Myburgh (3–54), Overton (3–60) and Lewis Gregory (3–48) were the most successful of the hosts' attack they they eventually won by 33 runs

on the Duckworth Lewis method with Glamorgan closing on 279 all out.

The win takes Somerset up to the 2nd in the Southern Group with four to qualify and three games remaining.

#### WEPL Premier 2 (Bristol/Somerset Division)

SHAPWICK & POLDEN (7PTS) 231 FOR 9  
LOST TO ILMINSTER 311 FOR 4 (19) BY 80 RUNS.

A FINE all-round performance from South African Louis Kraucamp helped Ilminster to an impressive victory on their travels.

After losing the toss and being inserted, Ilminster lost George Hayward early on.

But skipper Sam Spurway, moved up the order to opener, and Charlie Vickery put on 63 for the second wicket before the former fell for 35.

This brought Kraucamp, normally an opener, to the crease and he proceeded to smashed the ball to all parts in a knock of 113 off just 99 balls with 13 4s and six huge 6s.

Vickery was dismissed for 70 (8x4) after putting on 115 with Kraucamp who was then involved in another century stand (104) with Matt Davis who finished 47 not out off 31 deliveries (including four 4s and three 6s) as Ilminster closed on an imposing 311 for 4 from their allotted 50 overs.

The S&P openers were going well putting on 47 before Kraucamp (4–35) struck with the ball which sparked a collapse to 70 for 4. They reached 161 for 9 and a full house of points appeared on the cards for the visitors but they failed to capture the final wicket in a stubborn unbroken stand of 70.

**Fixture (Saturday, July 30th); Ilminster v Lansdown.**

#### Somerset Division

##### NORTH PERROTT 161 (17PTS)

##### BEAT CHARD 126 (6) BY 35 RUNS

JOSH Marshall-James made significant contributions with both bat and ball as North Perrott came out on top in the local derby at Willis Lane.

Home skipper Gordon Whorlow won the toss and opted to bat first. The 'Monkeys' were eventually dismissed

for 161 in the 46th over with George Retter top-scoring with 42 and Marshall-James unbeaten on what proved to be a crucial 27.

The pick of the Chard attack was seasoned campaigned Jon Dalwood whose guile brought fine figures of 10–5–20–4.

Marshal-James (9–3–33–4) and Stacey Hawes (2–30) then got stuck into the Chard top order with only number seven Alex Hunt (29) and number nine Chris Scott (27\*) making any sizeable contribution as they were shot out for 126 in the 35th over.

Both teams are now comfortably placed in the middle order of the Somerset Division.

## Rangers rally kids with football coaching sessions

CREWKERNE Rangers Football Club hosted the first of four free football coaching sessions on Saturday at Henhayes in Crewkerne.

Over 30 children, aged between 5 and 8 years old took part in a range of coaching and skills activities during the hour from shooting to dribbling.

Members of the club organised this Summer Football Coaching School after a number of the players undertook the FA Level 1 Coaching qualification earlier this year.

With only one of four completed, the sessions have been hailed a success by the children, parents and friends of the Perry Street League.

One parent, commenting on social media, said:

"Thank you – my son loved it and hasn't stopped telling me about it. He is already looking forward to next week".

Bob Brunt, former Perry Street League Secretary said: "This morning has been excellent for Crewkerne Rangers FC. Organisation from coaching to administration was impressive."

Crewkerne Rangers Chairman Mark Holton,

was thrilled with the turn out: "It's great to see so many keen young footballers and is a brilliant start to push the club forward in the community."

Any children aged between 5 and 8 years old are welcome.

Contact mark@crewkernangersfc.co.uk or simply turn up on Saturday at Henhayes, Crewkerne at 10am.

## football beer albion Walker stays

AFTER a fruitless search for a new manager during the close season, Beer Albion have re-appointed Richard Walker as player-manager for the forthcoming season in the Devon & Exeter League Premier division writes *Richard Honnor*.

Walker, who played professionally for Aston Villa, Blackpool and Bristol Rovers, has been at the helm for the last two years and the club are delighted that he has offered his services once again.

He will continue to play and will be assisted on the bench by chairman John Moughton who successfully managed Beer Reserves some years ago.

Walker said that he is very happy to continue in the role knowing that he will have solid, reliable support on the bench in particular to handle all the ancillary duties that so often fall unfairly on the manager's shoulders. He added: "Training sessions began a couple of weeks ago and attendance was very good. I was also pleased to see several new faces at the sessions and this bodes well for the new season".

Meanwhile, Paul Langham has been appointed Beer Reserve team manager for the new campaign in Division Five of the D&E League. Paul played for the Fishermen's 2nds last year and will be assisted by Tom Neale another 2nd team stalwart.

Chairman and new first team assistant Moughton said that he was delighted with the appointments: "Things look very bright for the new season," he added.

Training takes place every Tuesday and Thursday at Beer's ground, The Furzebrake, Stovar Long Lane.

The sessions start at 6.30pm and any new players will be warmly welcomed.

# Masters clinches Dartmoor bronze finish

WITH PAUL MASTERS

PAUL Masters headed off on Saturday to South Brent in Dartmoor ready for the Coach journey to Belstone for the start of the DARTMOOR CROSSING a 34 mile Off-road Trail Ultra Marathon, with the wildness of the Moor ahead and the clouds building it was with some concern as rain started to fall!

Setting off a little fast with a hard mile of climbing to the top of the first Tor it

◆ **BATTLING AT BATH:**  
Helen Baxter

was going to be a long run.

With the cloud starting to clear and with the heat building up it was ideal that the 2nd half of the race had many water crossings.

Paul made good progress across the Moor and with good navigation was soon picking off places with a nice long down hill towards South Brent and the much sought finish line Paul crossed the line in 17h/100 in a time of 6h 10m 00s and 3rd in his age category.

Next heading off to Bath for the RELISH RUN Long Half Marathon was Helen Baxter.

This race was all about the beauty of the country-side around the South-East of Bath, setting off along the paths there was a mix of runners for distances from 10k to full marathon meaning pace control was going to be needed to hold to Helen's own race plan.

With the race heading into the hills and fields away from Bath, Helen found the going tough having had less training leading up to the race than hoped, but headed into the finish area still smiling.

Four Chard Runners headed off to Nottingham on Saturday ready for the FULL OUTLAW IRON MAN event.

Jim and Nina Wagstaff, Stuart Gold

and Jo Carnell plunged into the open water for a 2.4 mile swim - definitely an eye opener with the low water temperature so early in the morning!

With the 2.4 miles completed Jim and Stuart were off heading out to transition first, Nina and Jo following in next, heading onto the 112 mile cycle leg which had all heading away from the National Water-sports centre and into the countryside.

Jim started to make good headway and was soon working through the large field with Stuart in hot pursuit. Nina and Jo were soon through transition and once on the bikes both were in strong positions as some of the gradient was taking its toll on others.

It was Jim who entered into the last transition ready to now undertake the last leg - a full 26.2 mile marathon.

Transition the quartet headed out on the run, the long day was now taking its toll but the pace was good.

Jim entered the National Watersports centre for the last time and crossed the line in 12h 18m 12s with Stuart home in 13h 06m 14s.

Nina Wagstaff was next finish in 13h 13m 33s an awesome achievement after suffering from sickness on Friday

◆ **GOOD RUN:** Paul Masters pictured at the Dartmoor Crossing 34-mile Ultra Marathon

evening.

Rounding off the fantastic Chard effort was Jo Carnell in 15h 24m 55s.

At the same venue CRR Bernie Genge was contacted to take up a last minute stand-in position to run the final section the 26.2 mile marathon.

Bernie was quick off the line and really stretched himself on this lapped course and pushing all the way he crossed the line in a time of 3h 30m 22s rounding off a great show for Chard in this major event.

# Centurian Ronnie remembered

HONITON with John Pawley

FOLLOWING on from the recent death of Andy Sharland Club members are now mourning the death of **Ronnie Pew**.

The church bells rang out last year, in May, for his 100th birthday and Ronnie continued to play the occasional golf round till fairly recently.

"A lovely man" was how he was thought of by all who came across him. He died on his 59th wedding anniversary in Gittisham where he and his wife Ann lived. Ronnie had a career in the RAF as an aeronautical engineer, working on the Merlin engine of the Spitfire and became a Fellow of the Royal Aeronautical Society.

He was also a member of the Worshipful Company of Clockmakers, and had been granted the Freedom of the City of London.

At the Club he was the sponsor for an annual individual knock-out Salver for the Seniors, which bears his name.

Meanwhile, there was a challenging format for the Tuesday Mixed Pairs. The gentlemen took the first tee shot then lady and gentlemen took alternate shots throughout the medal round which was eventually won by Sheila Palmer & Peter Clarke with a very respectable score of 71 well clear of the chasing pack. Second place went to Liz Wood & James Liell with 76, on count-back from Maureen Tollemache & Stan Squire. They were followed by Heather Clarke & Max Pipe with 79.

The Lady Captain's Prize for the best Stableford score in the qualifier played on Wednesday was won by Elizabeth Wood with an impressive 36 pts - winning Bronze 1.

A tricky wind with fast greens ensured challenging conditions for all.

Silver division winner was Lady Captain Jane Watts with 34 with Anne Davies next on 33 on count-back from Janet Hughes and Olwen

Eaton in that order.

Dot Grove came second in Bronze 1 on 34 beating Sue Kelson on count-back, with Sharon Rouse next, on 32. Bronze 2 winner was Linda McLaughlin with 34.

The 9 hole Stableford winner was Sue Calver with 14 pts with Maureen Tollemache (13) next.

The Seniors cancelled their routine Friday competition in respect to the funeral of Andy Sharland on the same day, with the reception being held in the clubhouse on Friday afternoon.

Over the past few days all members of the club have taken advantage of the good conditions to complete knock-out matches, ahead of the work week coming on the greens in August.

CRICKET ST THOMAS with Bert Robinson

THE Senior section acceded to the Ladies on Monday to enable them to host the South West Rally.

This competition, in its eighth year, is run in the format of a Bowmaker tournament and is open to ladies from all over the South West, and was attended by 144 golfers.

The trophy winners were Taunton & Pickering Ladies, but the highlight of the day was a hole-in-one by Ann Gates of Wheathill at the par 3 16th.

The Seniors returned to the course on Tuesday to compete in a four man Medalford event.

In intense heat, 24 golfers made hard work of the conditions. Result: 1st George Wallace; Brian Denning; Andy Beale & John Livens 33, 2nd Trevor Dobson; Bill Hilson; Nobby Hodder & James Dick 35.

Meanwhile, 32 members attended the Canadian Greensomes tournament in similar conditions on Wednesday.

The dry fairways and fast greens hindered

the players to a certain extent, but there were two sub par rounds which were fine achievements.

Result: 1st Frank Martin & John Wandless 67.38, 2nd George Wallace & Malcom Roy 69.50, 3rd Ted Bryden & Brian Frost 70.63.

The Seniors ended their week on Friday with an "all to count" three-man stableford competition

Sixteen teams of three took to the course in sweltering conditions which took its toll on some.

Result: 1st Bob Barrow; John Wandless & Colin Ireland 108 points, 2nd Mark Coleman; Stuart Pope & Barry Singleton 100, 3rd Andy Beale; Jerry Stephens & George Wallace 99.

AXE CLIFF with Peter Motson

THE Ladies section played their last Divisional match in the Sheelah Creasy competition and achieved a draw against Woodbury Ladies with three matches won, three lost and one halved.

Helen Kenworthy & Margaret Kenchington played the 3rd round of their Vets 4BBB Inter Club Knockout against Royal North Devon at Tiverton and came away with a win on the 17th green, a good away victory in a close game.

Margaret Kenchington was delighted with the turnout for her Lady Captain's Day competition, with all the golfers wearing something pink.

The competition winner was Anne Jarvis with Jill Wellington in 2nd place.

The team winners were Glenda Board & Jill Wellington. The competition was followed by a very tasty buffet and of course, a pink "golf" cake, following the pink theme throughout.

Axe Cliff Ladies were represented at the Cricket St Thomas SW competition with four teams of three, of which two teams were prominently in amongst the prizes - Helen Kenworthy, Glenda Board, Sandra & Walker and also Margaret Kenchington, Stella Thompson & Jill Wellington. Stella Thompson and Alison Cooke both recorded 25.

There were teams from all around the SW and it was a very successful event.

The latest Ladies competition was the Par Cup in which the winning score was +2 by Helen Kenworthy and in 2nd place was with a level par was Glenda Board with Bee Sammons close behind in 3rd with a -1 score.

The Seniors section Founders Trophy was played as a combined Stableford and Medal format, half SF/and half MF, deducting half one score from the other.

First place was won by B.Graham (HC 25) with a net score of 13, in 2nd place was P.Hornsby (HC 15) with 16 and, A.Bishop (HC 24) taking the 3rd place with a score of 18.
